

**H15**

The five-star H15 Boutique Hotel & Residence and Signature Restaurant are located right in the heart of Warsaw, in a 19th-century building that housed the Soviet embassy before World War II. What sets this property apart are the innovative solutions, custom artwork, high-end Italian designer and custom-made furniture as well as the momentous events experienced by such a surviving building before and during World War II.

Every inquiry we receive is the starting point of a journey and a story in itself. We will help guide you along the way towards making each of your events special and memorable.

We will be happy to assist with hosting a private business meeting, a conference or a lavish reception. You will have at your disposal an extraordinary event space, a menu tailored to the occasion and individual preferences and a wealth of ideas and solutions!
